Consent for the use of images or videos

JAM Club recognises the need to ensure the welfare and safety of all young people. In accordance with our child protection policy we will not permit photographs, video or other images of young people to be taken without the consent of the parents/carers and children.

JAM Club will follow the guidance for the use of photographs, a copy of which is available from the JAM Club Coordinators.

JAM Club will take all steps to ensure these images are used solely for the purposes they are intended. If you become aware that these images are being used inappropriately, you should inform JAM Club Coordinators immediately.

Please tick if you give permission for images of your son/daughter's to be used by All Saints' Raheny to publicize past and future events

Collection of personal data and consent for communication

The information collected on this form will be stored securely and may be used by JAM Club and All Saints' Raheny on the basis of vital interest in case of emergency and legitimate interest to understand and improve youth work within the parish

On occasions we would also like to contact you about JAM club activities via email.

Please tick if you consent to us communicating with you in this way
